

Big Cat Habitat's First Annual Fall Harvest Celebration

The Big Cat Habitat is offering a Halloween alternative – an evening that celebrates family fun and happiness. On October 30th from 4pm-7pm families can visit the Big Cat and see the new, young additions we have in our animal family. We have three new baby camels, two baby lions, an 8 month old liger and our little miracle, Quiggly the lemur. Chance the Chimpanzee will also be here!

Of course all of our regular animals such as tigers, lions, big cats, bears and primates will be here waiting to see you. We are celebrating the beauty they bring to our lives as well.

Activities, Games, Rides and Yummy Snacks

We are going to have some fantastic activities for the whole family, some of those include:

- Camel and Pony Rides
- An animal costume contest (No scary costumes allowed)
- Games
- Get a picture with a tiger
- Kettle corn, cotton candy and so much more!
- Free petting zoo

Things to Watch
